

Professional Visitor Registration

The PSI is a trade show for the promotional products industry. In order to guarantee this possibility, we carry out a full legitimisation. Only at the express invitation of a PSI Distributor can industry customers also visit PSI.

These rules also apply to PSI DIGITAL 2021 with the PSI DIGITAL FRIDAYS.

It is not allowed to participate at PSI as a private person in general.

What industry credentials apply to the PSI visitor when purchasing tickets?

- PSI membership number
- Trading license with an exact specification
- Trade register excerpt with an exact specification
- Business card or e-mail address with correspondingly recognisable company affiliation

Having trouble due to Covid-19 effects to show a proof of being a trade visitor? Eventually naming your website or social media accounts could help getting or speeding up the process of receiving a legitimisation approval.

***The registration as a trade visitor is possible for the following industries:**

Distributors of promotional products

Importers of promotional products

Suppliers of promotional products

Service provider advertising application, (Textile-) refinement of promotional items

Advertising agency

Full-service agency
